Mission Newsletter of Ps. Despansianus Ede

Dear Rev. Lee, Hoon Chang (Church of Jeilsungdo)

"For I know their works and their thoughts; the time is coming to gather all nations and tongues. And they shall come and see My glory." (Isaiah 66:18)

This is our believe and guaranty that God Himself who brings back people from all Nations to come to Him and worship Him as Lord and Savior. This is the great motivation for us to never give up in our ministry and life.

We give glory to God for what He has done in and through NPWM Korea, who faithfully supports us in fulfilling the Great Commission in this generation. Our community holds fellowship and discipleship meetings as a follow-up for those who respond positively to our evangelistic efforts. Currently, we do not have our own church or community building, so we rent a room for our meetings and discipleship services. Most of our activities and programs focus on outreach and discipleship, as well as helping local churches and the body of Christ in effective evangelism and discipleship.

1. Leaders' Retreat And Prayer Rally for Evangelism & Discipleship

As a demonstration of our continued reliance on God, we held a prayer retreat at the end of 2025 for our leaders and key disciples. This gathering was designed to allow our team to recharge after a year of dedicated service. I am pleased to share that the three-day, two-night retreat was a great success. God spoke powerfully to our group, re-motivating us and refreshing our collective commitment to the vision and mission of the Great Commission of Jesus Christ.

Notably, several students committed to serving God and remaining involved in ministry after they graduate from college. We are encouraged by their dedication and look forward to how God will use them in the future.

2. Prayer and Fasting Worship Services among Disciples & Intercessors

We recognize that this ministry cannot function effectively without dedicated prayer. Given the many challenges we currently face in the field, our team is committed to a period of prayer and fasting as an acknowledgment of our own limitations. We believe that this work will only succeed through God's intervention, and we are placing our full trust in His guidance and blessing alone.

3. Digital Training for Evangelism & Discipleship

Our desire is to equipping believers with the heart and skills necessary to help fulfill the Great Commission of Jesus Christ in this generation. To support this mission, we remain committed to train local churches with digital strategies for evangelism and discipleship. Furthermore, we train college students to reach their peers on campus, with the goal of leading this young generation to Jesus and encouraging them to follow His example in their daily lives.

We praise God for all He has done in and through our lives to bring many people to know Christ. These images feature our worship and training center, along with our 25 leaders and 80 key disciples who are central to our mission.

Additionally, I currently supervise 84 trained Online Digital Mentors who are reaching out to the Unreached People Groups (UPGs) that are otherwise difficult to reach through traditional face-to-face ministry.

We are deeply grateful for your continued support and partnership. Your generosity is a blessing to our ministry and enables us to make a significant impact on those we serve. Please know that we continue to pray for you, your family, and your congregation. We pray that the Lord Jesus blesses you abundantly and continues to use you as His faithful instrument. Kamsahamnida!

Yours in Christ & His Mission,
