Dear Pastor Lee Hoon Chang, NPWM and Jeilsungdo Church,

Greetings in the precious name of our Lord Jesus Christ.

First of all, I would like to give thanks to God that the believers who had been away from the church for several months have returned to fellowship with us and are faithfully worshiping with the church once again. We praise God for His faithfulness and grace in restoring them.

By God's grace, my family, the brothers and sisters in our church, and I are all doing well. We continually remember the NPWM and Jeilsungdo Church in our prayers, asking the Lord to bless and strengthen your ministry.

We would greatly appreciate your prayers for our evangelistic outreach in the villages throughout Kumphawapi District. Please also pray for the establishment and multiplication of home cell groups, that many people may come to know Jesus Christ and grow as His disciples.

Finally, may our Lord continue to richly bless the NPWM and Jeilsungdo Church with His abundant grace, wisdom, strength, and fruitfulness in every ministry.

Love in Christ,

Pastor Tawee Toysimma
