To God be the Glory!!

NPWM Manager

Senior Pastor Doo-Hwan Kim

Joy of Salvation church

Dear Man of God,

Grace and peace to you in the name of our Lord Jesus Christ!! I am deeply grateful for your faithful prayers and support in this ministry journey. Each step that we take in God's ministry is strengthened by your encouragement and partnership. Your love and generosity remind us that we are never alone in the work of planting seeds of hope and truth. May the Lord bless you abundantly for standing with us, and may His joy overflow in your life as we continue to serve together.

This month has been quite challenging for our family. My wife fell ill with COVID-19, suffering from terrible acute back pain, loss of taste, and a high fever of 102°F. At the same time, my son also had a 102°F fever with a continuous cough. I chose not to take them to the hospital but cared for them at home, serving, praying, and giving them simple home remedies. By God's grace, they are now about 90 percent recovered and doing much better. In addition, I myself faced physical difficulties with muscle tears in my hands, stretching from the elbow to the palm. I visited the orthopedic hospital and was prescribed medications, but I was advised not to hold a pen, ride a bike, or even peel garlic. This required two weeks of strict hand rest. Without my bike, ministry work became very difficult, but during those weeks I relied on a local ride-sharing service. Even in these limitations, the Lord provided a way for me to continue serving.

On March 7 and 8, our church family gathered for a retreat that became a time of deep reflection and strategic planning. We held meetings focused on how to strengthen the life of the church, beginning with Sunday school and youth ministry. Leaders and members shared ideas on nurturing children in faith, equipping young people to stand firm in their walk with Christ, and creating spaces where discipleship can flourish. We also discussed new strategies for gospel sharing on how to reach our neighbors more effectively, how to build bridges in our community, and how to encourage every believer to take part in evangelism.

Another important part of the retreat was envisioning the future of our ministry, including the growth of a daughter church. We prayed together about multiplying our efforts so that the gospel can spread into new areas, and we explored practical steps for mentoring new leaders who can carry the vision forward. The retreat was not only about planning but also about fellowship and encouragement, reminding us that we are one body working together for God's kingdom. These two days gave us renewed energy, clarity, and unity as we look ahead to the next season of ministry.

Here are the prayer points:

- Kindly pray for the **complete recovery of my hand muscle tears** (from elbow to palm), so that I may return to full strength in ministry work.
- Please pray for the **complete healing of my wife and son**, who recently suffered from high fever, cough, and weakness due to illness.
- Please pray for my son's **Grade 7 final term exam**, beginning next week—that God may grant him wisdom, focus, and peace as he studies and writes his exams.
- Please pray for our upcoming **General Assemblies**:
  - Naubisay Daughter Church on April 18
  - Mother Church on May 2
  - Liwali Daughter Church on May 9

In His Service,

Pastor Saul Shrestha
