Update from the Harvest

Adventure with Him...

Vol 12, No. 7, June 2026

Dear Friends, Partners, and Prayer Warriors,

Greetings in the precious name of our Lord Jesus Christ!

With a grateful heart, I would like to share some recent ministry activities and God's faithfulness in our journey of serving His Kingdom. Your prayers, encouragement, and partnership continue to be a great source of strength and blessing.

Mission 2033 (M033)
National Movement for Kingdom Expansion

It is a great joy for me to be part of the Core Team of the Mission 2033 National Movement, which is focused on the expansion of God's Kingdom through mission, church planting, leadership development, and transformational ministry.

Recently, we organized a National Conference for Pastors (Indigenous Church Planters) and a separate gathering for Youth Leaders. We were blessed to have around 150 pastors and ministry leaders and 165 youth leaders representing all seven provinces of Nepal. These gatherings became a meaningful platform for fellowship, vision-sharing, encouragement, and strengthening the mission movement across the nation.

Following these conferences, a special Dinner Fellowship with Christian Business Owners was organized in Kathmandu in partnership with El-Shaddai Ministries, Dubai, UAE. It was a significant opportunity to connect business leaders with the vision of Kingdom partnership and mission advancement.

Please pray that the vision of Mission 2033 will continue to grow and that God will raise more leaders, churches, and partners for His purposes in Nepal.

Bible Distribution and Kingdom Partnership

Through our partnership with CTBG Nepal Chapter, we were able to distribute 800 Nepali Holy Bibles, 200 Audio Bibles, and 2 LCD Projectors in Madhes Province. We praise God for opening doors to bring His Word closer to many people. Pray that these Bibles and resources will continue to bear fruit by transforming lives, strengthening believers, and helping churches in their ministry and outreach.

NKIC Ministry Expansion – Leadership Development

The ministry of NKIC continues to move forward with a vision for greater impact, especially in the area of leadership development and equipping future generations of leaders.

As part of this expansion, we are moving ahead with the development of additional facilities, including primarily two three-story buildings. We trust God for His provision, wisdom, and guidance as this important work progresses.

Please pray for the successful completion of this project and that these facilities will become a place for training, discipleship, and Kingdom advancement.

Family Update and Prayer Request

By God's grace, we are all doing well as a family. We are thankful for His protection and continued blessings.

Please continue to pray especially for Tara's health. We praise God that she is improving significantly, and we continue to trust Him for complete strength, healing, and renewed health.

Thank you once again for standing with us through your prayers, love, and partnership. May the Lord continue to use each one of us for His glory and the advancement of His Kingdom.
