Update from the Harvest

The Adventure...

Vol 12, No. 1, January 2025

Dear Beloved Ministry Partner,

Warm greetings to you in the precious Name of our Lord and Savior, Jesus Christ!

We thank God for you and for your faithful partnership in prayer, encouragement, and support. As we reflect on the year 2025 and look ahead to 2026, we rejoice in the Lord's goodness and humbly share both praises and prayer requests with you.

PRAISES (2025)

- We praise God for His year-round blessings, protection, and guidance. Despite frequent travels for ministry, the Lord graciously protected us from any major injuries or harm. Truly, He has been our refuge and strength.
- We thank God for our daughters and their spouses who are doing well abroad. We are especially grateful that our youngest daughter, **Kritee**, is also doing well in Canada.
- The Lord has faithfully provided for our family's finances, health, and relationships. Our fellowship with church members and coworkers in the harvest fields has been a great blessing, and ministry relationships have grown in unity and joy.

PRAYER REQUESTS (2026)

- Please pray for good health for our family and for all our coworkers in the harvest fields. May our ministries be fruitful and bring glory to His Name alone.
- Pray for the ongoing works in **Madhes Missions**, as well as for **Education and Leadership Development at NKIC**, and seminar events planned throughout the country—that all would go smoothly and bear lasting fruit.
- We are trusting God that **CPX would reach 100** with a holistic approach. Please pray that generous partners would stand with us so we may expand **25 more Community Learning Centers** and install **100 drinking water plants** in needy communities.
- Our **house loan from the bank** is due. We are prayerfully waiting on the Lord for resources so this financial burden may be cleared.
- We have been praying for a **ministry vehicle** for a long time. If it is the Lord's will, please pray that He may provide one within this year to support the growing ministry needs.

Thank you for standing with us in prayer and partnership. Your faithfulness continues to encourage us as we labor together for His Kingdom.

With you in His Harvest,

Barnabas & Tabita
