DEAR PASTOR, NPWM, KOREA

I want to thank you for being our supporter in many ways. We consider you as our great asset in the work for the Lord.We are doing our church ministry in the place called Mangainallur, Kuttalam Taluk, Mayiladuthurai District, Tamilnadu,South India.

PRAISE GOD:

For His faithfulness, His provision, His protection, His grace on all of us thus far. Praise God that He is being and blessing in all of our ministries such as Sunday services, Fasting Prayers, Special Prayer for Nations, Bible school Teaching, Cottage Prayer Meetings, House Visitings, Men`s and Women`s fellowship, Youth and Children ministries and Helping Poors etc.

And God helped to give some educational gifts to the needy poor children and share the gospel.

By the grace of God we can reach some villages through cottage prayers in these months. Some of the people accepted Jesus as their personal Saviour.

We hope to hear from you, at least once in a while, that will encourage us and motivate us even more. We give thanks for being our supporters in many ways and looking forward to have greater time with you all in the future. We are always praying for You & **NPWM.**

Prayer Request:

Kindly pray for the spiritual growth of our Church members.

- And for the fulfillment of our visions.
- For our Monthly magazine ministry.
- For our Children's ministry.
- Bible School Teaching Ministry.

God Bless You,

Pastor.P.Daniel Jayakumar,
