April ~June 2026 Ministry Report

Dear Rev. Im, Man Ho and friends from Gunsan Dream Church,

Greetings in the Lord Jesus Christ!

""*Hear, O Israel! The Lord is our God, the Lord is one! You shall love the Lord your God with all your heart and with all your soul and with all your might. These words, which I am commanding you today, shall be on your heart. You shall teach them diligently to your sons and shall talk of them when you sit in your house and when you walk by the way and when you lie down and when you rise up."* Deuteronomy 6:4-7 NASB

The Philippines has recently experienced a tragic spate of events. An eighth-grade student stabbed several children inside the school premises and two teenagers, aged 14 and 15 shot several students inside a public school, killing four and wounding more than ten. These events shook the nation, making everyone question school security policies, juvenile laws, and access to fire arms. More importantly, people are asking how are these children raised and what kind of environment they are growing into.

I do not have all answers to these questions right now. But what I know that this is an opportune time for us Filipino Christians to share that the only hope for our young people is Christ! Sin is the root cause of all these things and the only remedy for it is the work of Christ in our hearts. I am praying that the Lord will open the doors of many school campuses for the ministry of God's word. I am praying that many parents will see the need to bring back God at the center of their families.

At the heart of God's instruction to Israel, he commanded them to instill God's laws to their children. Loving God and recognizing his authority over our lives are so essential for an efficiently functioning family and nation. And unless this becomes the norm for society, sin will continue its destructive effects. Here lies the value of the ministry of the word of God. In whatever form it is done,

preaching from the pulpit, bible studies, campus ministry, children's Sunday school, home/children discipleship, the ministry of the word will always serve its purpose: lives will be transformed, seeds will be planted leading to salvation.

Praise the Lord that he has called us to an ever-important task. That's the reason we have to be faithful in our call to preach God's word in season or out of season. And praise the Lord for the partnership that we have in the ministry of the word. Thank you for praying with us for the ministry and for generously giving us a monthly support. May the Lord bless the work of our hands for the praise of his glory.
