

Dear Prayer Partners and Faithful Supporters,

Thank you for your faithful prayers and unwavering partnership throughout these many years of ministry. Your commitment has been a tremendous encouragement and a vital part of what God has been doing through this ministry.

Together, we have had the privilege of reaching hundreds of students with the hope of the gospel. Many of them may never have had the opportunity to hear the name of Jesus Christ if it were not for your partnership in this ministry. Every conversation, every Bible study, and every seed of God's Word shared has been made possible because you have stood with us in this ministry. We truly praise God for each one of you and continually remember you in our prayers.

Subject : Invitation to be a instructor

Dear Mr. Nokdang Jamir,

On behalf of the faculty of Engineering, Khon Kaen University, I would like to invite you as an instructor for an English Competency Enhancement Project for Industrial Engineering students, hosted by the department of Industrial Engineering, Faculty of Engineering, Khon Kaen University. The course is planning to be held during July 2 – September 29, 2026 on Tuesday, Thursday and Friday at 05.30 – 07.30 PM

Should you need further information regarding this course, please contact us.

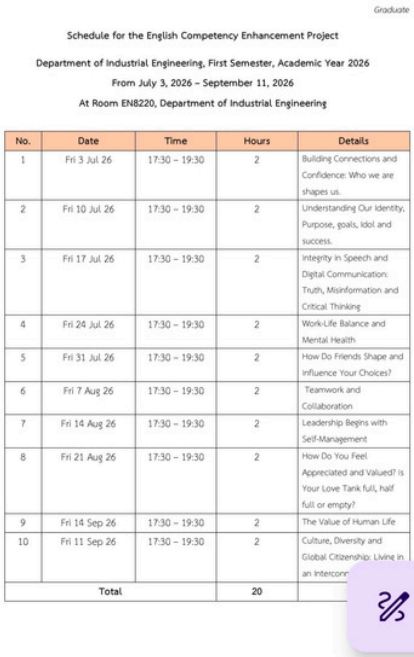

We are looking forward to hearing from you soon.

Sincerely Yours,

Associate Professor Ratchaphon Suntivarakorn, Ph.D.
Dean Faculty of Engineering, Khon Kaen University

KHON KAEN UNIVERSITY

We would appreciate your continued prayers for the on-going university ministry especially for the Tuesday to Friday schedules with the Department of Industrial Engineering and the MBA program. Please also pray for the meaningful conversations and discipleship opportunities that take place outside the classroom. Often, these informal moments become the most significant opportunities to listen, encourage, and share the love of Christ.

Graduate

Schedule for the English Competency Enhancement Project

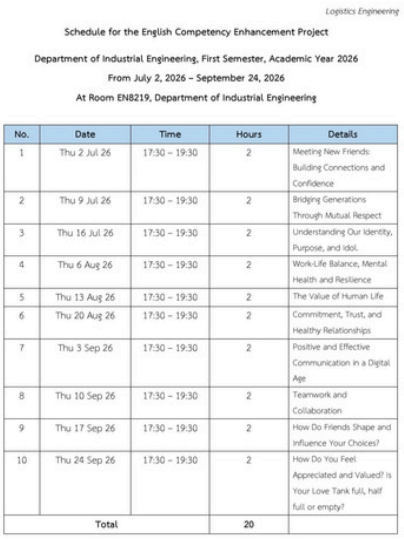

Department of Industrial Engineering, First Semester, Academic Year 2026

From July 3, 2026 – September 11, 2026

At Room EN8220, Department of Industrial Engineering

Total			20	

By God's grace, we have been serving in this university ministry for the past thirteen years, and the work continues today. We are officially invited by the university faculty to serve the students, yet this ministry remains entirely extracurricular, voluntary, and offered free of charge. It is a unique mission field where God continues to open doors for the gospel, and we are deeply grateful for the opportunity to serve.

May you pray for wisdom, divine discernments, and that their hearts would be prepared and receptive to the message of the Gospel.

Thank you for walking alongside us on this journey. Your prayers are not merely appreciated, they are an essential part of this ministry. We rejoice in knowing that every life touched is the result of God's grace working through a community of faithful partners like you.
