**Dear Rev Lee Chang**
**President of NPWM**

Greetings to you from Bangladesh ministry. My families are thankful to you for your prayer and your faithful partnership and support. I also want to thank you that God has given the vision and mission to reach out the gospel in Bangladesh. After Christmas. I appreciate the NPWM for their partnership help and prayer for my church planting ministry. It is all about the Jesus and the power of the Holy spirit who is working in the community. The Bible says, Galatians 6:9. Let us not become weary in doing good, for at the proper time we will reap a harvest if we do not give up. This is why our mission works always going through the challenging evangelism and discipleship program. I am highlighting some action below how God is doing good works the church members.

## Easter Sunday Program

After 4o days fasting, all Christians was sacrificed their life for the Lord Jesus Christ through fasting and prayer. We are very minority Christians in Bangladesh, this easter program brings good news to all of the people that Jesus Christ is the son of God and his word is truth who arisen from the dead. This is why we celebrate this day and gather to rejoice our heart with the Lord that our faith get the victory from the darkness. It brings to the nom Christians to come and trusting Jesus. 150 over people joined this gathering.

1 Corinthians 15:14 emphasizes the centrality of Jesus Christ's resurrection to the Christian faith. The Apostle Paul writes that if Christ had not been raised from the dead, then the preaching of the gospel would be meaningless, and the faith of believers would be futile. This verse underscoe s that the resurrection is the foundation of Christian hope, validating Jesus' claims as the Son of God and confirming the promise of eternal life. End of the message many of them took decision to follow Jesus and his command. We trust that God will do great things in the community even many Hindu and Muslims are interested and on time people will back to Jesus. We spend the time in prayer for them and many children are joining our Sunday school from the community. We thank God for all of the good miracles that Jesus is doing through our mission Center church. Your prayer is needed for Bangladesh ministry to expand His kingdom together. I and my pastors are glad to work with NPWM. This support is blessing my mission task in Bangladesh. God bless more to Jelisungdo church and all members

These children are really knowing about Jesus and many parents are also involved to our church activities. It is helpful to preach the good news among their family members. God has done many miracles and wonder to their communities through this children ministry. Every church there is Sunday school teachers are appointed who is working for them and our church is giving small support for the teachers.

## Group Evangelism

This is the new method of our ministry and group evangelism. We gathering people one house and share the gospel with them. In this photo, our pastor Ammula Biswas who is teaching them to know about Chris. 12 t of the women were present in this meeting. Mostly are Hindus. It was in Avaynagor Upazila Gobindapur village. We thank God that people are really interested to know about the Lord Jesus. Many of them saw Jesus' film and did not have the opportunity to personally Jesus Christ. In this flip chat showing Jesus is the son of God and He can forgive our sins. 10 of them accepted Christ through prayer in this group. Now some of them are joining our local church.
