Dear NPWM Brethren,

Greetings of Shalom in Christ Jesus!

The church celebrated its 19th Anniversary last Sunday, June 28, 2026. We had Worship Service in the morning and Thanksgiving Service in the afternoon.

We are truly grateful to the lord, for after 19 years, the lord gave us a place to rent. The place is 264 sq mtrs, for the church itself and pastoral house.

After almost 2 months, through the collective effort of its members and partners in the ministry, by God's grace the place is now renovated good enough to hold services, gatherings and fellowship.

This place is built by faith sustained by God's faithfulness. Every beam, every brick is a blessing and evidence of God's faithfulness. More than a building, this is a journey of faith, God's grace and faithfulness.

The journey is not yet done, few more things to completion:

- additional aircon unit
- ceiling installation (pakisame)
- brown/skim coating (palitada)
- painting

Please include us in your prayer. Thank God for our partnership in the ministry!

In Christ's service,

Rev. JOEWIE E. ARGATE
Senior Pastor
