To God be the Glory!!

NPWM Manager

Senior Pastor Doo-Hwan Kim

Joy of Salvation Church

Dear Man of God,

Grace and peace to you in the name of our Lord Jesus Christ!! I would like to sincerely thank you for your generous financial support. Your contribution is not only a blessing to us but also a powerful encouragement to continue serving faithfully.

From **March 7 onward**, we have been conducting a **weekly discipleship training program** for both committed believers and those who are new in their faith journey. The purpose of this training is to help participants grow deeper in their relationship with Christ, understand the foundations of Christian living, and learn how to share their faith with others. Each week will focus on practical lessons, fellowship, and encouragement, so that together we can build a stronger, Christ centered community.

On **April 3, Good Friday**, and **April 5, Easter Sunday**, our church family experienced truly memorable celebrations. The programs began with preaching and worship in our church, reminding us of Christ's sacrifice and victory. Afterwards, we continued our fellowship with a joyful journey from **Bhaktapur to the Kathmandu Sports Stadium**, where the church lovingly provided snacks for every participant, ensuring no one was left out. This Easter was extra special because our three church leaders, who have moved to Australia, generously sponsored **free t-shirts** for all Easter participants. Their thoughtful gift not only strengthened our unity but also reminded us that, no matter where we are in the world, we remain connected in Christ. The combination of spiritual reflection, joyful fellowship, and generous support made these days a

true testimony of God's grace and the strength of our community.

On **April 4**, we celebrated the baptism of three new believers—a blessed day for our church. For the very first time, we were able to perform the baptism ritual in our **own small pool**, right within our church premise. In the past, we had to go outside and pay for such facilities, but now, even though the pool is modest in size, it is ours, and it stands as a symbol of God's provision, as we witnessed three precious souls publicly declare their faith in Christ in the very place God has given us. Truly, it was a day of thanksgiving and praise, marking the beginning of many more baptism celebrations in our own space.

On **April 12**, our church hosted a joyful **Children's Camp** for 2 days, which became a truly blessed gathering. Alongside our own children, we were delighted to welcome the participation of our **daughter church in Liwali**, whose children joined us and added to the fellowship. Even more special was the presence of a few **new children** who were invited for the very first time. Throughout the day, the children enjoyed songs, games, and creative activities, but the heart of the camp was the time spent sharing the **stories of Jesus**. These stories touched young hearts and planted seeds of faith, reminding us of the importance of nurturing the next generation in God's Word. The camp was not only a time of fun and

friendship but also a powerful opportunity to witness the gospel reaching new lives.

On **Saturday, April 25**, instead of gathering inside our church building for our usual worship service, we chose a different path—we went together to a **picnic spot**. It was a refreshing change, combining fellowship, joy, and worship in the beauty of God's creation. The day was filled with laughter, shared meals, and games, but at the heart of it all was our worship service, held right there under the open sky. Singing hymns, praying, and listening to God's Word in nature reminded us that the church is not confined to walls—it is wherever God's people gather in His name. This unique blend of **picnic and worship** strengthened our bond

as a family of believers and gave us a deeper sense of gratitude for the simple blessings of life.

On **May 2**, our mother church, **Bhaktapur Masihi Church**, held its **35th General Assembly**, a significant gathering where only baptized members were invited to participate. The assembly was a time of reflection, accountability, and vision. Reports and updates were presented from every fellowship—**children, youth, women, men, choir, evangelism, house fellowship, preaching fellowship, and social service fellowship**—highlighting both the achievements of the past year and the areas where growth is needed. Each ministry shared testimonies of what God has done and discussed practical steps for improvement. The assembly included a detailed update on the church's **finances**, covering income, expenses, and stewardship, ensuring transparency and trust among the members. This spirit of openness reminded us that the church is

not only a spiritual family but also a responsible community.

This picture is very special—it shows my mother together with a new friend who is not yet in Christ. Over the past days, we have been faithfully sharing the **good news of Jesus** with him, and now we are preparing to begin a proper **follow-up journey**. It is our prayer that his heart will be opened to the living God, and that he will come to know the joy of salvation. Though he is still seeking, we believe that the seeds of faith have already been planted. Please join us in praying for this soul, that the Spirit of God may guide him, strengthen him, and bring him into the family of believers.

Once again, I want to express my heartfelt gratitude for your continued financial support. Your generosity strengthens our ministry and makes it possible for us to serve faithfully and reach more lives with the love of Christ. May the Lord bless you abundantly for standing with us!

In His Service,

Pastor Saul Shrestha
