Mission Report for April 2025

Dear Pastor Nam Sewoung and Pastor Young Hwa,

Greetings in the love of our Lord Jesus Christ.

I, as the pastor and representative of the members, as well as a member of the ***Word of Life Krang Yov Church***, Kandal Province, Cambodia, would like to respectfully greet you and send our heartfelt greetings from afar to you, your family, and all the members of your team. May you all be filled with the grace, love, and goodness of our Lord Jesus Christ.

At the same time, my wife and I would like to thank the Lord God, who continually provides for us through you. We would also like to express our sincere gratitude to you for always remembering us and faithfully sending a financial love offering every month.

Therefore, my wife and I would like to bless you and your family with success in every area and in all your work. May the Lord grant you and your family good health, renewed strength, wisdom, and understanding, and may you continue serving the work of the Gospel of God faithfully for many years to come.

At present, our outreach activities to reach people and share the Gospel with them are mainly carried out through English classes and computer classes. In these classes, we also incorporate some teaching from God's Word into our lessons. Most importantly, once a month, we have a dedicated class in which we teach God's Word directly.

In addition, we have fellowship activities with the youth, including outings and sharing meals together. We also teach God's Word online once a week.

Furthermore, each week we spend some time visiting and caring for the brothers and sisters in the villages, going from house to house, as well as visiting and encouraging the members of our church.

With love and gratitude,
Em Lun

Prayer Request:

1. May the ministries of serving God and the church continue to grow and move forward.

2. May the church have a greater desire to seek and understand the truth of God's Word.
3. May the members of the church be increasingly united and connected with one another through the love of God.
4. May the members, as well as the villagers, look to God as their provider, and may they all experience improved livelihoods and prosperity.
5. May all believers grow stronger in their faith and faithfully keep God's commandments.
6. May those who do not yet believe open their hearts to receive Jesus Christ into their hearts and lives.
