A MINISTRY REPORT OF REV. TANDI F. RANDA

NPWM INDONESIA MISSION PARTNER

OCTOBER 2026

Dear Rev. Lee, Hoon Chang
Senior Pastor of The First Christian Presbyterian Church
And Mrs, Myung Hee Song
(Office Manager of NPWM).

Warm greetings in the name of our Lord Jesus Christ.

First of all, thank you very much for your faithful monthly financial support and your continuous prayer support. Your partnership has truly strengthened us and enabled us to carry out God's mission work in Indonesia. May God bless you abundantly and continue to use you as a blessing to many nations as we together fulfill the Great Commission of Jesus Christ.

CHURCH ACTIVITIES

I would love to share a little more about what God is doing through our ministry at GPKAI Makarismos in Manokwari, Papua.

Every Tuesday, Wednesday, and Thursday, we run our School of Life (SoL) program for children . Besides teaching literacy, mathematics, and arts, we place special emphasis on character building. Our desire is not only to help children grow intellectually, but also to shape their character according to biblical values, teaching them to love God, respect others, and become responsible individuals.

Every Monday of the third or fourth week, we have our Superbook ministry, where children watch animated Bible stories that communicate the Gospel in ways they can understand. At the end of each session, we invite those who desire to receive Jesus Christ as their personal Lord and Savior to respond to His love. We also provide meals for the children at every gathering because we want them to experience God's love through both His Word and our practical care.

We are very grateful for partnership with NPWM in reaching and blessing children and families.

But our vision goes beyond the walls of our church. We are now reaching out to the surrounding communities and connecting with other churches, helping them establish relationships with them so that they, too, can develop ministries that bless their communities .
Our heart is not simply to gather people into church, but to make disciples who will make disciples. We want to see children, families, and entire communities transformed by the power of the Gospel.

Our prayer is that one day, the whole city of Manokwari will be reached with the love and Gospel of Jesus Christ.

I believe that when churches walk together in love, humility, prayer, and unity, the fire of the Holy Spirit will spread beyond our church buildings into homes, schools, and communities. We will see lives transformed, families restored, and a new generation raised up to love God and serve others.

We do not want to build only a successful church program. We want to see a movement of disciples making disciples, churches strengthening churches, and communities being transformed for the glory of God.

Please continue to pray for us. What we are doing may seem small, but we believe that God can use small beginnings to accomplish great things when His people remain faithful and obedient to Him.

Our prayer is not merely for a growing church, but for a transformed Manokwari where Jesus Christ is known, loved, and obeyed.

Thank you once again for your faithful partnership in prayer and mission. May the Lord richly bless you and your ministry.

With love and gratitude in Christ.

,

PRAYER ROOM

A SMALL PRAYER ROOM, A GREAT VISION FOR GOD'S KINGDOM

This is our little prayer room at GPKAI Makarismos. It can accommodate only 20–25 people, but our prayer is that God will use this humble place to ignite a spiritual fire that will touch many lives.

We believe that prayer is not merely about asking God for blessings. It is about seeking His presence, surrendering our hearts to Him, and allowing the Holy Spirit to fill us with a deeper love for God and for people. May that fire lead us to obey Christ's Great Commission: to make disciples who make disciples.

We also recognize that we cannot remain with the people we serve forever. One day, we will no longer be there to guide them personally. That is why we must faithfully disciple, train, and equip believers to continue God's work, even in our absence.

Our calling is not simply to gather followers, but to raise up disciple-makers. We want to see churches become disciple-making churches, where disciples make disciples, leaders develop leaders, and the Gospel continues to spread from one generation to another.

Thank you once again for your faithful support to keep us growing spiritually and becomes God's people who praying and walking in obedience to His Word.

Here at Makarismos, we are still learning to seek God faithfully, walk humbly before Him, and become obedient disciples of our Lord Jesus Christ.

Our prayer is that this small room will become a place where hearts are transformed, lives are surrendered to Christ, and disciples are equipped to make more disciples.

We may have a small prayer room, but we serve a great and mighty God.

Please keep us in your prayers.
