Our country is becoming lawlessness where there is no any judgement and killing children, mother and girls every day. We are so much worry. Our lord is so helper for our Christians because such kinds of persecutions have not happen to our Christian community. Last 3 months God has done good works among the unreached people group and many of them know the Lord Jesus Christ. Some information and prayer is given below for your prayer.

Every month we have been doing 3 to 4 outreach meeting, especially the community awareness workshops and children development and their protection. We have seen that many of the people are really appreciated of our ministry. Almost 200 people reached through this event. Sometimes school teachers and sometimes government officers. One of the groups, I want to mention at Fathepur primary school where 200 children over studying. We have arranged parents gathering. 140 of them joined. We distributed among them soap and biscuit for every one by this way, they will develop their family specially they will take care kids and our goal is to build relationship with them.
