Update from the Harvest

Adventure with Him...

Vol 12, No. 9, August 2026

A Heartfelt Thank you for Standing with us!

Dear Friends, and Faithful Prayer Warriors,
Warm greetings to you in the precious name of our Lord and Savior Jesus Christ - Shalom!

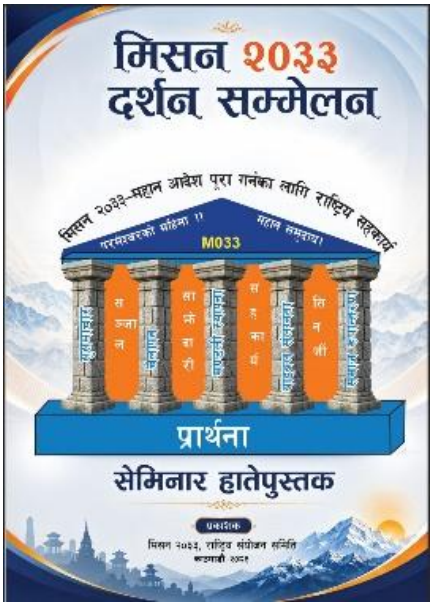
As I reflect on the recent months of ministry, family, and the many opportunities God has opened before us, my heart is filled with **gratitude to the Heavenly Father God and deep appreciation for each one of you**. I realize again that ministry is never accomplished by one person alone. Your constant prayers, encouragement, friendship, generosity, and faithful standing with me, my family, and the ministries have been an important part of everything we have been able to do. Therefore, this letter is first and foremost a **THANK YOU**!

Thank you for standing with us—not only when things are easy, but also through seasons of uncertainty, challenges, and prayer. We continue to see God's faithfulness, and we want to share a few reasons for thanks- giving and a few areas where we would value your continued prayers.

Points to Consider

1. **Mission 2033 – Advancing the Kingdom Across Nepal**
2. **God's Word Reaching Madhes Province**
3. **NKIC – Expanding Leadership Development**
4. **Shalom Foundation – A New Step of Faith**
5. **Thanksgiving for Roshan's Improving Health**
6. **Family Thanksgiving – Tara's Improving Health**

Mission 2033 – Advancing the Kingdom



It has been a great privilege for me to serve as one of the **Core Team members of Mission 2033** (M033), a national movement seeking to mobilize the Body of Christ for the expansion of God's Kingdom in Nepal.

Recently, we were blessed to organize two significant national gatherings: a **National Conference for Pastors and Indigenous Church Planters** and a separate **National Conference for Youth Leaders**.

Around **150 pastors and church/ministry leaders** and **165 youth leaders**, representing all **seven provinces of Nepal**, participated in these gatherings. These conferences provided opportunities for fellowship, vision-sharing, encouragement, leadership development, and renewed commitment to the Great Commission. We are particularly grateful for the successful **release of the Mission 2033 Seminar Manual**, which will serve as a practical resource

for further training, mobilization, and multiplication of the M033 vision throughout the nation. We have also begun **training CPX mobilisers**, equipping them to help mobilize churches, leaders, and communities toward a stronger missions movement. This was a meaningful opportunity to encourage Christian business leaders to see their vocation, resources, influence, and networks as instruments for God's Kingdom. We pray that this training will contribute to the development of a growing network of mission-minded leaders throughout Nepal.

Please pray that Mission 2033 will continue to grow in unity, vision, prayer, and practical mission engagement, and that God will raise up many more indigenous church planters, youth leaders, mobilisers, and Kingdom-minded business leaders.

God's Word Reaching Madhes Province

We are also thankful for your partnership in any scale, so we can distribute Bible in any form. We praise God for the opportunity to place His Word into the hands and hearts of people who need encouragement, hope, and the transforming message of the Gospel. Our prayer is not simply that Bibles will be distributed, but that **God's Word will be read, heard, understood, believed, and lived out**, bringing transformation to individuals, families, churches, and communities. Thank you to everyone who has been a help to make such ministry possible. Would you kindly stand with us as **we are planning to distribute 50K audio devices**. We found this radio set that can be used as audio Bible (see picture), which costs only NPR 500/-.

NKIC – Expanding Leadership Development

We are grateful that the college, **NKIC,** I oversee, is continuing to move forward with its vision for expanded mini particularly in **leadership development and equipping the next generation**. As part of this expansion, preparatic and work are progressing toward the development of additional facilities, including primarily two three-story buildings.

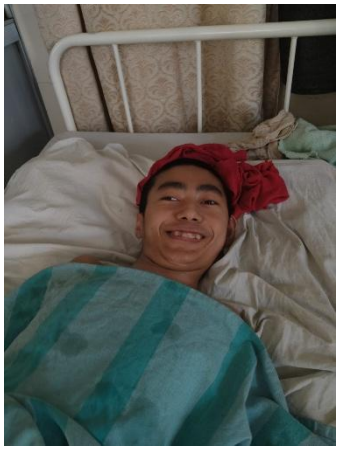
We heartily welcome the godly man and woman for their generous contribution towards this project.

Shalom Foundation – A New Step of Faith

Another reason for thanksgiving is the **commencement of the building project for Shalom Foundation**. The vision of Shalom Foundation is to develop a center for **holistic services, benevolence, education, and care**, particularly serving people and communities who are in need. Tying up with NKIC, we are grateful that this long-held vision has now moved into a new phase with the commencement of the building project.

We see this not merely as a construction project, but as an investment in people and an expression of Christ's compassionate ministry. Please pray for God's provision, wisdom, protection, and guidance throughout the construction process, and that the future centre will become a place of **hope, dignity, compassion, learning, and practical Christian service**.

Thanksgiving for Roshan's Improving Health



We also have a very personal reason to give thanks to God. **Roshan has recently gone through his second round of treatment at Patan Hospital**, and we are grateful to report that his health condition is improving. We continue to trust God for a miracle – complete recovery, strength, and renewed health. We deeply appreciate those who have remembered Roshan in prayer and stood with our family during this season. Please continue to pray for him as he progresses through the treatment and recovery process.

Family Thanksgiving for Tara's Improving Health

By God's grace, our family is doing well, and we are deeply thankful for His protection and provision. We especially want to thank you for your prayers for **Tara**. Her health has been improving significantly, and we are encouraged by the progress we are seeing. We continue to commit her health into the Lord's hands and ask for continued strength, complete recovery, and peace for her and for our entire family. Your prayers have meant more to us than words can express.

On the Family Front …

Above All, Thank You! As I share these updates, I am conscious that behind every ministry opportunity there are people who have prayed, encouraged, given, advised, travelled with us, opened doors, and quietly stood alongside us. **You are among those people.** Thank you for your **faithful prayers, friendship, encouragement, generosity, and partnership**. Thank you for believing in the work God has entrusted to us. Personally, '**Thank you'** for standing with me, my family, and the various ministries through both joyful and challenging seasons. We do not take your partnership for granted. Our prayer is that together we may continue to see **our world transformed by the Gospel, leaders equipped for Kingdom service, churches strengthened, young people mobilized, families restored, and communities touched by the love and compassion of Christ.**

We are grateful for God's protection, strength, and peace. Thank you for your faithful prayers, encouragement, and partnership. Your support continues to make an eternal impact. We are thankful for His protection and

continued blessings. Please continue to pray especially for Tara's health. We praise God that she is improving significantly, and we continue to trust Him for complete strength, healing, and renewed health.

Praise Points

- Thank God for the successful completion of the CPX Training of Trainers in Lalitpur.
- Praise God for raising and preparing a new batch of 35 church planters for ministry in the Terai region.
- Thank God for the completion of the Mission 2033 Seminar Handbook and its preparation for publication.
- Praise God for the growing momentum of the Mission 2033 Vision Casting across Nepal.
- Thank God that the admission process at NKIC has begun smoothly.
- Praise God for His continued faithfulness, protection, and provision for our family.

Prayer Points

As we move forward, we humbly ask you to continue standing with us in prayer, particularly for:

1. **Mission 2033** – for greater unity, mobilization, indigenous church planting, and Kingdom expansion.
2. **CPX mobilisers** – for effective training and multiplication throughout the country.
3. **Bible distribution and ministry resources** – that God's Word will produce lasting fruit.
4. **NKIC** – for wisdom, provision, and successful development of the new facilities and leadership programs.
5. **Shalom Foundation** – for God's provision and protection as the building project progresses.
6. **Roshan** – for continued improvement, strength, and complete recovery.
7. **Tara** – for continued improvement, renewed strength, and complete health.
8. **Our family and ministries** – for God's protection, wisdom, holiness, and faithfulness in every responsibility entrusted to us.

May the Lord richly bless you and your family for the way you have stood with us. With heartfelt appreciation, love, and prayers, w**e are deeply grateful to you.**

With you in His harvest,

Barnabas & Tabita Khanal
